Who We Are

Who is providing this notice? Fidelity Bank

What We Do

How does Fidelity Bank protect my personal information? To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

We also maintain other physical, electronic and procedural safeguards to protect this information and we limit access to information to those employees for whom access is appropriate.

How does Fidelity Bank collect my personal information? We collect your personal information, for example, when you

- Open an account
- Apply for financing
- Give us your contact information
- Provide your mortgage information
- Show your government-issued ID

We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.

Why can't I limit all sharing? Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes - information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.
